The Archbishops' Young Leader Award has six weeks of collective worship resources for schools including liturgical suggestions, Bible passage activity, video exploration, practical and prayerful actions, and additional ideas for connecting home, church and school.

Bristol Schools Connection have produced a resource for primary school children in Years 3 – 6. It could be taken into school by a church volunteer/team or run by the school itself if they prefer. Children are invited to imagine they are on a movie set watching the filming of 'Easter – The Movie'.

The movie is based on the biblical account of the last days of the life of Jesus.

For each scene they: look at a cast list and handle the props, hear and imagine the scene being filmed, discuss the emotions they felt and wonder and reflect on what they have learnt and can apply to their own lives, whatever their worldview.

They are offering training sessions online. The session will introduce you to the resource and give opportunity to talk it through and ask questions. You can sign up here https://bit.ly/3mMvziR
